Hope Corner Support for Vulnerable Adults

Project Highlights

Hope Corner Community Centre has been a **lifeline for vulnerable and older residents** in Barnet, offering **warm, welcoming spaces** and **nutritious, home-cooked meals** throughout 2023.

Key achievements

- **136 sessions** delivered over the year
- **1,382 meals** served at the Seniors Lunch Club
- **1,002 meals** delivered to isolated residents
- **2,400+ total attendances**, providing companionship and care

These services **reduced isolation, supported mental wellbeing, and offered vital help during times of increased cost of living.**

Quote from the Project

“You can’t beat home-cooked meals made so lovingly. Twice a week I know my meals aren’t processed rubbish and are cooked fresh, on the day.”

— Lunch Delivery Recipient

Hope Corner continues to provide a safe, inclusive space where residents can share a meal, build friendships, and feel supported.
