

Wild About Our Woods CIO

October Half Term Holiday Activity & Food

What they did

- Fun, nature-based workshops for 19 children
- Group games and team-building in the woods
- Creative arts & crafts using natural materials

Project Impacts

- Boosted confidence and teamwork skills in children
- Families reported a positive, well-rounded experience
- Strengthened community connections and environmental awareness

Quote from WAOW:

"Seeing the children explore and learn outdoors while having nutritious meals was truly rewarding. Space2Grow makes a real difference!"
